

input

A diagram illustrating a process flow. At the top left is a rectangular box labeled 'input'. A large, hollow arrow points downwards from the bottom center of this box to a wide, horizontal rectangular box at the bottom labeled 'processamento'. At the top right is another rectangular box labeled 'output'. A large, hollow arrow points upwards from the bottom center of the 'processamento' box to the bottom center of the 'output' box. The boxes and arrows are white with black outlines and are set against a light gray background with a subtle shadow effect.

output

processamento
